PROFESSIONAL FIREARMS TRAINING SOLUTIONS

Luck Favors Those Who Are Prepared

PROFESSIONAL TRAINING AT AFFORDABLE PRICES

In an increasingly complex world, more and more people are exploring their options in the area of personal security and self-defense. For many, these options include the use of firearms for personal protection.

At EPS Tactical Training Group we believe people deserve the opportunity for high quality, professional firearms training at a reasonable cost. We also understand that training goals can differ for each person. With this in mind, we have developed multi-level programs which can be utilized by everyone from a novice looking for a solid base in defensive shooting to the experienced individual wanting to sharpen their skills in combat tactics.

TRAINING OPTIONS

Level #1 Basic Handgun

Level 1 introduces the user to the basics of firearm operation, safety, and fundamentals of marksmanship with a pistol. Course length 3 hours. No prerequisites.

Level #2 MN Carry Permit

Class

This course qualifies the student for the Minnesota carry permit (with the option of multi-state permit). Students will examine use of force and carry laws, basic carry considerations and intro to defensive shooting. Course length is 6 hours.

Level #3 Intermediate Handgun

In this program, the student begins to develop his or her basic combat skills with an emphasis on concealed carry options. Included are subjects such as effective use of cover, multiple target engagements, and tactical movement drills. Course length is 6 hours.

Level #4 Advance Tactical Handgun

This program is designed to continue the student's overall skill advancement in defensive shooting. It introduces force-on-force training, weapon disarming and emphasizes close quarter combat shooting. Course length is 6 hours.

ADDITIONAL TRAINING

In addition to handgun courses, we also offer specialized courses in:

- Combat Shotgun
- Tactical Rifle
- Refuse to be a Victim personal security program
